EDUCATION

Software Engineering
Umaer Basha Institute of Technology (UBIT)

01/2020 - 11/2023   *CGPA: 3.2*

Pre-Engineering
Adamjee Govt. Science College

09/2017 - 06/2019   *77% in FSc. from Sindh Board*

SKILLS

HTML5   CSS3   JavaScript   TypeScript

React   Angular   Jasmine   Karma

TailwindCSS   Sass   Node JS   Express

MongoDB   REST APIs   Git
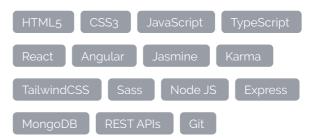

PERSONAL PROJECTS

Natours -Tour Booking Website (06/2023 - 07/2023) ⧉
- Created an immersive tour booking website using HTML, and SCSS.
- Emphasized meticulous layout design, resulting in seamless user experience across devices.
- Implemented innovative click-handling techniques entirely within the CSS, eliminating the need for JavaScript code.

Accounting Management MERN App
(06/2023 - 08/2023) ⧉
- Developed a full-stack MERN (MongoDB, Express, React, Node.js) application for streamlined accounting operations.
- Implemented user authentication, allowing new users to sign up and existing users to log in securely using email and password.
- Automated the maintenance of essential accounting components, including General Journals, T Accounts, Trial Balances, and Financial Statements.
- Leveraged MongoDB for efficient and structured data storage, Express for the back-end REST API, and React for the dynamic front-end.

CERTIFICATES

Build Responsive Real-World Websites with HTML and CSS (03/2021 - 06/2021) ⧉
Learned modern HTML5, CSS3 and web design by building a stunning website

The Complete JavaScript Course 2023: From Zero to Expert! (09/2021 - 05/2022) ⧉
Gained comprehensive understanding of JavaScript, covering fundamentals to advanced concepts while building 5 immersive projects.

Build Web Apps with React & Firebase (11/2022 - 03/2023) ⧉
Acquired proficiency in utilizing React and Firebase to construct dynamic websites with real-time capabilities.

Node.js, Express, MongoDB & More: The Complete Bootcamp 2023 (01/2023 - 10/2023) ⧉
Gained proficiency in creating RESTful APIs and building server-rendered web applications

WORK EXPERIENCE

Front-End Developer Intern
Matrix Systems Pvt. Ltd.

11/2023 - Present
Matrix systems provides tools for the investment banking industry across the globe.

Achievements/Tasks
- Developed a strong foundation in Angular.
- Collaborated on the design and implementation of new features.
- Learned and applied front-end unit testing skills using Jasmine and Karma.
